NEW ARENA IN BY A LANDSLIDE

A new modern artificial ice arena and a community auditorium will be built in Haliburton as soon as the old one can be removed. The electors of Dysart Et Al left no doubt as to their wishes on Saturday when nearly 74% of the 998 of those registering their votes

made it very clear that the children of this area are going to have the kind of arena and community centre they so richly deserve.

This was by far the best organized election campaign ever conducted in this area while there were some non-resident

voters who travelled to Haliburton to vote against the arena there were many others who made it a point to be present on the week-end to vote yes.

The present arena has been sold and within a couple of weeks the work of tearing it

down will commence and there will be few mourners at the funeral. It will be noted in the tabulation of votes listed below that negative votes re the project occurred in Eagle Lake and Harcourt with Ward I and II, Donald and West Guilford registering affirmative majorities.

They made it unanimous in Donald. One of the most pleasant features of the voting was the number of senior citizens who possibly will get very little benefit of the new centre, getting out to vote in order that their grandchildren would have a decent arena.

Trout Season Ushered In By Avid Anglers

At 12:01 a.m. Friday, May 1, 1964 the trout season opened, a day that ranks in importance, as far as trout fishermen are concerned, with New Year's Day, Groundhog Day, Pancake Day and Pay Day.

On the basis of reports received from Lindsay District Conservation Officers we have assessed the first week-end's fishing as follows:

Gooderham Area

Friday - Thirteen anglers checked had been fishing a total of 56 hours, an average of 4.3 hrs. per man. They caught 16 speckled trout, 14 of which were 2 lbs. or more each, an average of 1.23 fish per angler. "Good" fishing.

Haliburton Area

Here again fishing was "fair to good" depending on the site. Conservation Officers checked 106 anglers who had fished a total of 620 hours and caught

86 speckles and 6 rainbows. This is an average of 0.87 fish per man and 6.7 hours per fish.

Minden Area

Stream fishing only, 32 men checked had fished an average of 2 hours each and caught a total of 12 fish, or .375 fish per man, only fair fishing.

Car Catches Fire

The motor of a 1964 Chrysler car driven by Don Finlay of Tory Hill caught on fire in front of the Dysart Municipal Telephone Office in Haliburton on Sunday afternoon.

The Haliburton Fire Department was called to the scene but in the meantime Mr. Finlay rushed to McGuire's Restaurant for a pail of water. The water smothered the flames. Only minor damage was done to the car.

Fire Damages Oasis Restaurant

A fire which was believed to have resulted from a propane tank explosion gutted the Oasis Restaurant in Minden on Wednesday afternoon. Minden and Haliburton firemen and equipment were on the scene in order to prevent the fire from spreading to other business establishments.

The Oasis is next door to the attractive 5c to \$1.00 store which was opened on Monday morning after being totally destroyed by fire a few months ago.

Only One Accident

LINDSAY (ENS) — Mrs. Lillian Greig, 60, of Uxbridge, was driver of a car which went out of control on Highway 35 at Miner's Bay on Sunday causing damage estimated at \$600. The accident was the only one investigated by Minden OPP during the week-end. Spokesman for the detachment said traffic was extremely heavy.

District Annual In Minden

Twelve branches of Women's Institutes of Victoria East will be the guests of the Minden W.I. on Thursday next. The occasion will be the District Annual to be held in St. Paul's Church. Mrs. L. G. Lymburner, Past President of the Women's Institutes of Ontario will be guest speaker and from what we learn those will be privileged to listen to the address of this talented lady will feel well repaid for taking the trouble to be in attendance.

We might say that the Women's Institute of Minden is the only one in the County of Haliburton and as a result has members from other centres. The W.I. of Minden make a worthy contribution to this area and are a very creditable organization.

Eastern Star To Hold Old Tyme Dance Friday Nite

The Order of the Eastern Star are planning a second Old Tyme Dance at the Haliburton High School. The Country Boys are again in charge of musical arrangements. It promises to be a gay and enjoyable time for all who wish to combine pleasure and philanthropy — by giving a helping hand to the Eastern Star members in their efforts to provide a Scholarship for a deserving high school student.

We are looking forward to seeing you at the High School on Friday night, at 8:30 p.m.

Leslie Frost To Attend Ceremony In Cardiff

Leslie Frost, former premier of Ontario, will be in Cardiff, near Bancroft, Saturday, when the townsites officially changes its face — from virtual ghost town to Canada's first community for retired people.

He will be presented with a gold key and named its number one honorary citizen at a rededication ceremony at 2:30 p.m.

Cardiff, 53 miles northwest of Peterborough, appeared to be headed for extinction with the closing of uranium mines in the Bancroft area.

However, Bowes and Cocks Ltd., Peterborough realtors, have undertaken a government-approved scheme to turn the former mining townsites into a community for retired people.

When Dyno Mines closed two years ago, 50 homes formerly occupied by mining personnel, were sold at considerable reductions.

More than 100 additional homes are now available.

If all are sold, the Crown-owned Central Mortgage and Housing Corporation could recover about \$600,000 of its investment.

Government officials are expected at Saturday's ceremony. Glen Hodgson, MPP for Victoria-Haliburton will attend. Representatives from CMHC will

also be there.

The ceremony will begin at 1:30 p.m. with a musical interlude by Trenton's RCAF Pipe and Drum Band. A helicopter will fly overhead throughout the day. Prospective home owners will be given aerial tours.

There are hopes of expanding the community into 1,000 homes.

Cardiff is classed as an improvement district and is administered by three trustees appointed by the Ontario department of municipal affairs.

Over 200 Hear Dr. Keogler

Dr. S. J. Keogler of the Children's Psychiatric Research Institute at London said on Friday night that prevention is the answer to mental retardation and through research they are trying to find the causes, then later find the prevention. He was addressing an audience of over 200 who had gathered at the new Legion Hall at Haliburton to hear this outstanding speaker. The occasion marked the 3rd anniversary of the Haliburton District Association for Retarded Children. The evening started with a turkey dinner.

The speaker who was introduced by local Public School Inspector Mr. Nelson Ward, said that mental retardation in the community is a serious problem and is the largest chronic disease among children. He pointed out this fact in the following statistics taken from a recent survey in the U.S.A. in the State of Georgia out of a 1,000 population under 21:

Hair lip 1 per 1,000; Epilepsy 4 per 1,000; Heart condition 10 per 1,000; Orthopedic problems 17 per 1,000; Hard of hearing 19 per 1,000; Visual handicap 24 per 1,000; Mental retardation 40 per 1,000.

Dr. Keogler stated that we might ask ourselves the following questions. Why does mental retardation happen and can it

happen to anyone? Mental retardation occurs when the brain is damaged, which there is no cure. It happens to people in every part of society. According

Card of Thanks

On behalf of the Dysart Community Centre Board, I wish to express to you, the electors of Dysart Et Al, sincere thanks for the magnificent affirmative vote rolled up on Saturday last. I am sure no one, not even the most enthusiastic supporters of this project, ever anticipated anything like the stunning success of this campaign.

Great credit must also go to those who worked at polling booths, drove cars and travelled considerable distances to make sure in no uncertain terms that we in this municipality will have an arena which will be a credit to the area, also a community centre that has been sadly lacking for a number of years.

We in Dysart have taken a big step forward toward the goal of making this locality a winter as well as a summer playground. Again "Thanks to Everyone".

ALBERT J. LARUE, Chairman
Dysart Community Centre Bd.

Minden Curling Club To Hold Mixed Bonspiel May 30 - 31

The Minden Curling Club will be holding a Mixed Bonspiel at the Minden Curling Club on Saturday and Sunday, May 30 and 31st. The first 16 rinks will be accepted and prizes will be given out each day.

The Bonspiel Chairman is Jack Eastwood and the entry fee is \$16.00 per rink.

We are given to understand that this will be the latest that curling has ever been played in Haliburton County or Central Ontario.

The Minden Curling Club are anticipating a week long bonspiel the last week in July. They are looking forward to having 48 rinks for this event.

Mr. and Mrs. Owen Jones of West Guilford recently celebrated their fiftieth wedding anniversary. Mr. and Mrs. Jones who are spending the winter months in Whitby were pleasantly surprised when family and friends gathered at the home of their daughter, Mrs. Roy Campbell where everyone enjoyed a lovely supper. Mr. and Mrs. Jones were presented with a lovely cake and many beautiful gifts.

The highlight of the day was when Mr. and Mrs. Jones received a congratulatory message from MPP Glen Hodgson and a lovely plaque from his Honourable John Robarts.

The very enjoyable evening ended with music and singing by two of Mr. and Mrs. Jones' nephews and friends; a lunch and tea was served by the family. Guests were present from Toronto, Oshawa, Haliburton, Whitby and Harcourt.

News Notes From The County

Somerville Township Council has informed County Council that it does not intend proceeding with a centennial project.

A meeting will be held in Lindsay on May 15 to discuss establishment of an area jail. Representatives of Peterborough, Osnawa and Haliburton Counties are among those invited to attend.

Jasper Fonman, former Victoria County sheriff, has been named area supply officer of a war surplus agency which has been formed in Lindsay. Lloyd Found, Leslie Frost, Leslie Porter, Robert Mark and Gordon Mackey are others active in the agency.

The Rob-Mar beauty salon opened recently in its new location in the Irwin building across from Boice Motor Sales.

Bill Smith in the Peterborough Examiner states that Mrs. Gordon Thexton, Victoria County librarian since 1956, has resigned. The resignation becomes effective on September 1. Use of the library has quadrupled since 1956, says Mrs. Thexton. She feels there are now far more people interested in reading "worthwhile things". I would like to see a Victoria-Haliburton public library established, more adequate space afforded the existing library co-operative, and more money given libraries. Television can stimulate reading as can movies, because people like to get questions answered and they have learned that a library is the place to go.

Fire recently swept through a frame house four miles east of Cobocok on Highway 46. The blaze was reported by a Fenelon Falls milk driver who called the Cobocok volunteer fire brigade. The house was destroyed.

The Minden 5c to \$1.00 store opened on Monday. The new building replaces the one destroyed by fire last December.

A young college student wrote home to his family: "Dear Mom and Dad, I haven't heard from you in nearly a month. Please send a cheque, so I'll know you're all right."

FISH PLANTINGS UNDERWAY

The 1964 fish planting program is now under way with the first of the stream plantings of trout being made last week. Trout planting in the lakes to the north will commence as soon as aircraft become available.

Mr. J. M. Hunt, Manager of the Deer Lake fish hatchery, states that the collection of maskinonge spawn is also in progress.

Each year the Department of Lands and Forests at Lindsay publishes a list of the waters planted with hatchery stock for that year. Although the lists for previous years are scarce there is still a good supply of the 1963 fish stocking list available upon request. It should be remembered, however, that the lakes and streams appearing on the list are not necessarily the only or best fishing waters. There are many bodies of water in the Lindsay Forest District containing populations of naturally produced fish and which do not require stocking with hatchery fish. To many anglers these are the best lakes!

H.D.A.R.C. REPORT

Blitz - The banquet May 1st started the annual fund raising campaign which will be carried on from May 6th to 16th. The students of H.C.D.H.S. will conduct a canvass of the county with a blitz slated for the evening of May 13th. The Campaign dates are set by the Canadian Association for Retarded Child-

ren and are geared to include Mother's Day within that period.

This national effort seeks more funds for research purposes to combat the toll taken by retardation society. Notable progress has already been made in this area.

Local Needs - The most pressing need of the local Association at this time is for better facilities and equipment to carry on the day school program. Since we hope the Department of Education will be taking full responsibility of operating costs for the schools as of January 1st, 1965, the burden of fund raising to carry on a school program will be somewhat lighter. This will make it possible to plan for much needed school facilities which is a much, if we want to provide suitable care and training for the mentally retarded in our county. The Dept. pays 50% of approved building costs.

All funds raised this season and not needed for operating purposes will be channelled into the building fund. A county-wide effort at this time could do wonders in making the much needed school facilities possible.

Everyone can help - An Association is like a wheelbarrow - not much good unless you get behind it and **PUSH**.

Looking Ahead - Numerous fund raising projects will be carried on this season in the form of Bake Sales, Bazaars, etc. We trust all women's groups will be able to participate in these efforts. The Minden Arena has been reserved for August 15th for the Annual Bake Sale and Draw. Please note the date!

The North Hasting's Music Festival opened last week in the Bancroft High School. The adjudicator was Eldon Bretour of Toronto, well known in Canadian music circles. More than 400 entries were listed with more than 1,000 boys and girls taking part.

Some members of the Haliburton Rotary Club attended the District Conference held last week. The speakers included the Hon. Marcel Lambert (Speaker of the House during the last Government), Rev. Norman Rawson (a U.C. minister from Montreal), and Pat Gilchrist (who represented President Miller).

Friends and neighbours gathered at the home of Mr. and Mrs. Charlie Ryan, Dyno Estates, on April 25th to honour Mr. and Mrs. Harold Clark on the occasion of their fiftieth wedding anniversary.

The Haliburton County Tuberculosis and Health Association invites you to attend their

Annual Meeting to be held in the Haliburton United Church Hall on Monday, May 11, 1964 at 8 p.m. Mr. E. J. O'Brien, Executive Director of the Ontario Tuberculosis Association will show coloured slides on his trip to the Far East and speak on the subject of "World Wide Tuberculosis". Refreshments will be served.

Both the Riverside and Highland Restaurants in Haliburton opened over the week-end.

The opening dance of the season was held at the Golden Slipper on Saturday night last.

Scouts from every National Hockey League team are attempting to have the same seven players from Lindsay Lions sign with them, coach Gus Bodnar said recently. He said it was unusual that the five scouts should all pick the same seven, but that it had happened in Lindsay.

Betty Harrison was elected the 1964-65 president of the Minden Kinette Club at a recent meeting. Immediate past president is Barbara Elder.

SUGAR and SPICE

By Bill Smiley

Does going to church improve your golf score? Do you put the good side out or in when you build a fence on your property? How many people attend evening service at church? Why do women live longer than men?

I don't know how you spend Sunday, these fine spring days, but I got the answer to these questions, and a few others, last Sunday.

Went to church Sunday morning, and was early, for once. It was twenty to eleven when I arrived, and it's usually eighteen minutes later than that.

The reason was that I was on hand to teach Bible Class, which begins at quarter to ten. You guessed it. The Smileys for about the tenth year in a row, had forgotten to join the swing to Daylight Saving time.

Took advantage of the extra time to line up golf game with fellow pillar of congregation. Answer to question 1: No. I can't understand it, but going to church doesn't improve your golf. This other good Anglican and I took on a couple of Presbyterians who admitted they'd missed morning service. They licked us. Badly.

Home at 4 p.m. Sat in chair in sun in yard, licking golf wounds.

Wife appears. Glares around yard. Looks meanly at me, then at half-raked leaves, half-baked dog who messes everywhere, cat who climbs screen on kitchen door and ruins it, huge branch off oak tree lying across flower beds, fence leaning towards us at 45 degrees.

She tells me we've got to have a new fence. It'll cost hundreds of dollars. I produce a diversion. Ask her whether we'll put good side of fence in or

out. She says no. I say every body does. She says I'm crazy. I say, calmly, she's ridiculous.

Leap in car to inspect fences all over town. Some face in, others out. Nobody will give in. She gets sore. I give in. But I'm telling you right here, answer to Question 2: Depends on whether you want to look at the nice side of your fence, or want your neighbors to see it.

Urgent call during dinner. Sidesman need for evening service. Can't think quickly. Agree reluctantly. Get to church. Not a pillar in sight. Not a sinner. Not a choir member. Three altar boys, rector on the job. Congregation is me. Got the works, including sermon. Answer to Question 3.

But rector told a good story later. One elderly cattle farmer turned up, once, for evening service. Preacher said, kindly, "Since you're the only one here, perhaps we'll dispense with the sermon."

Farmer says, "Well, if I loaded the whole wagon with feed, and only one old cow turned up, I think I'd feed her." Preacher agreed it was good logic. Went through entire service, including one-hour sermon.

When it ended, he asked farmer what he thought. Latter replied, "Well, if I loaded the whole wagon with feed, and only one old cow turned up to be fed, I don't think I'd dump the whole wagon in front of her."

And the answer to the last question? Why do women live longer than men. Taint original, but I like it. "Because they don't have wives."

Ontario Hydro Expands Rural Electrical Service

More than 97 per cent of Ontario's rural population is now supplied with electricity.

In a report to the Ontario Legislature, Robert J. Boyer, MPP for Muskoka and Ontario Hydro's second vice-chairman, said that the greatest expansion of the Commission's rural network has occurred since 1945.

"Between 1953 and 1963, the number of hamlet customers increased by 49 percent to a total of 224,000, while farm customers rose to 137,000," he said.

"Farm and hamlet customers nearly doubled their average consumption of power in this decade."

Electricity has helped to revolutionize farming in Ontario by introducing a host of labor-saving devices. "In the decade up to 1963 Ontario's farm cash income has been increased by 32 percent, despite a decrease in cultivated acreage and a 22 percent reduction in the agricultural labor force."

Mr. Boyer pointed out that

the average cost per kilowatt-hour for farmers declined 17 percent between 1953 and 1963; meanwhile the price index of services and commodities used by farmers increased by 22 percent.

Referring to the importance of electrical service in the province's tourist trade, Mr. Boyer reported that summer cottage customers increased by 87 percent to 108,000 in the same period.

Despite substantial transfers of customers from the rural system to urban utilities through municipal annexations, Ontario Hydro passed a milestone last year by serving the 500,000th rural customer.

Turning to the question of

province-wide electrical requirements, Mr. Boyer said that "Power demands in Ontario have been doubling every ten to twelve years, giving us an average yearly increase of 6½ percent of an ever-increasing total."

"A peak demand reached in mid-December was eight percent greater than the one recorded a year earlier."

He also noted that primary energy provided in March, 1964, increased over March of last year by 8.1 percent, and that the rate of increase of the first three months of the current year over last year's first quarter has been of almost similar proportions.

Mr. Boyer outlined Ontario

Hydro's power resources and assured the Ontario Legislature that present facilities were more than adequate to cope with rising power requirements.

Looking to the future, he said that by 1970 hydro-electric stations will account for nearly 50 percent of Ontario Hydro's system capacity, a decline from the present 65 percent.

"Conventional thermal-electric capacity will rise to 42 percent, and nuclear power will account for around six percent," he said. "The remainder of our resources will consist of purchased power."

Minimum Wage Extended Throughout Ontario

Last year, Minimum Wage legislation was introduced in the Toronto-Hamilton-Oshawa industrial area. It proved highly successful, and as a result, I am pleased to announce an early extension of it throughout the entire Province beginning on June 29. I ask you now to read the following highlights

carefully to establish exactly how this vital and progressive piece of legislation will benefit you.

H. L. Rowntree

HON. H. L. ROWNTREE, Q.C.
Minister of Labour

Reduced to its simplest terms, the new Minimum Wage Orders, implemented and enforced by your Ontario Department of Labour, are designed to protect every working man and woman in the Province from exploitation, and set a minimum wage of \$1.00 an hour (\$1.25 in the construction industry).

The Orders, now in effect in the Toronto-Hamilton-Oshawa "horseshoe", will be extended throughout the

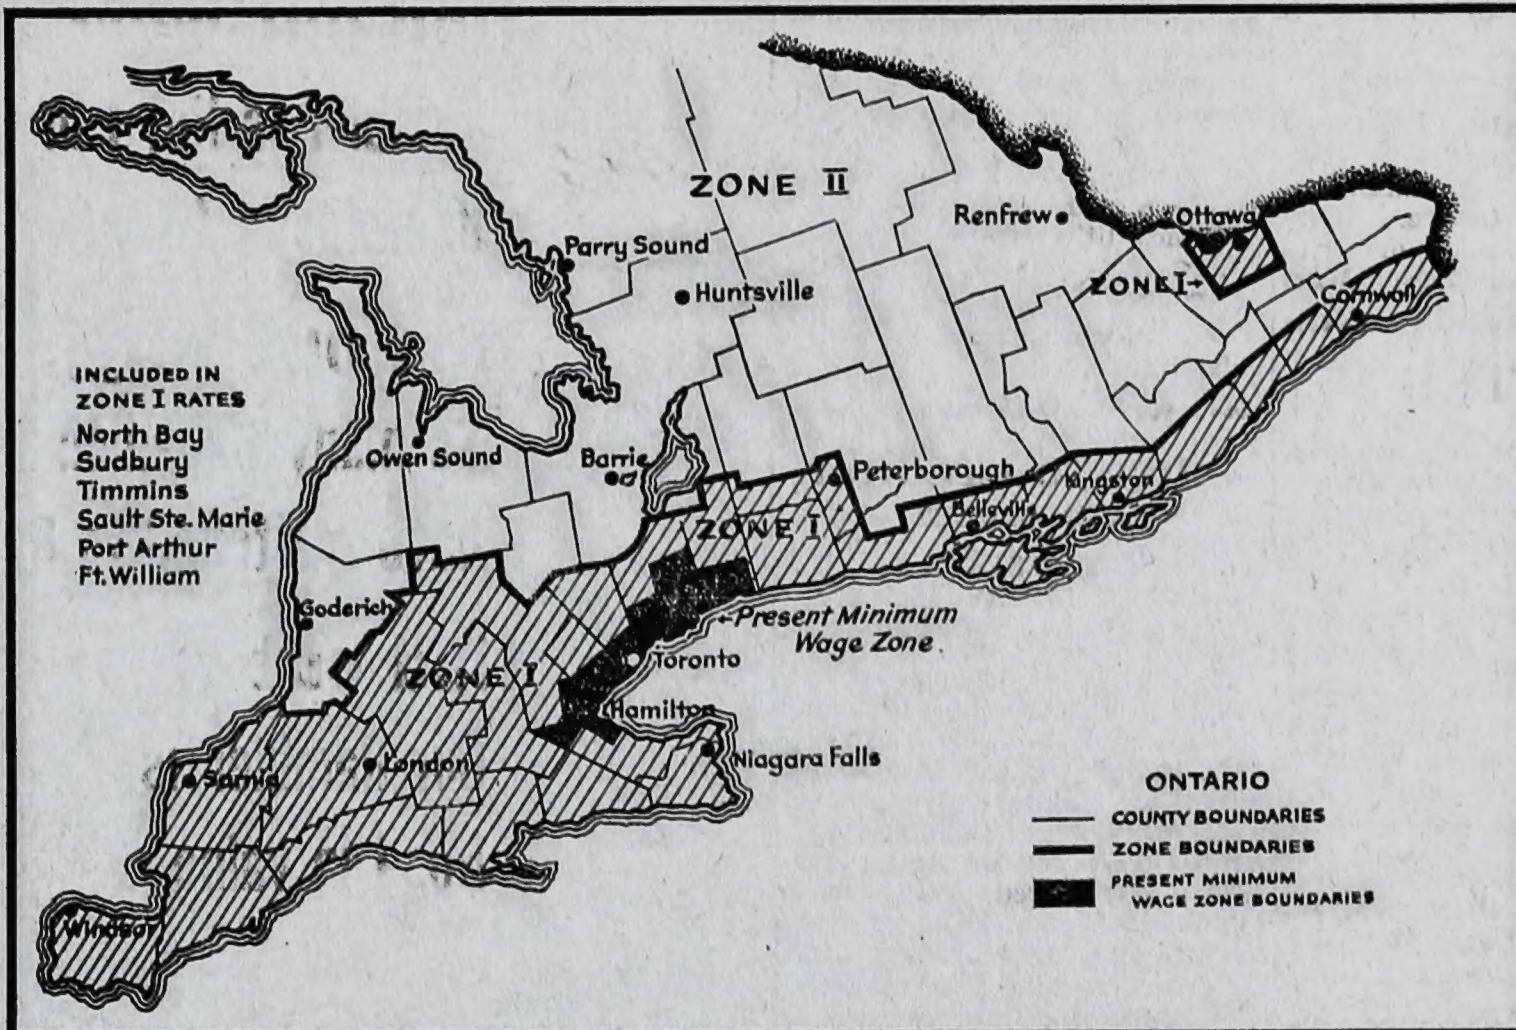

entire Province on June 29. However, so that employers will have sufficient time to adjust to and absorb the higher rates, the Orders must be carried out in stages.

Briefly, here's how your Ontario Department of Labour plans to go about it. The Province will be divided into two Zones. Zone 1 takes in the more heavily populated and industrialized areas and centres. In this Zone, the \$1.00 Minimum Wage will be achieved not

later than March of next year. In Zone 2, covering the remainder of the Province, the wage will be achieved by December of next year.

In the Construction Industry, the Minimum Wage of \$1.25 an hour will be reached in the same manner in both Zones.

The map and salary boxes on this page show the two zones, and the salary increases scheduled in both.

SPECIAL GROUPS

The General Minimum Wage Order does not apply to: Registered apprentices; camp counsellors or students employed in certain recreational programs; apartment house janitors who live in; real estate and insurance salesmen and salesmen who determine their own hours; professional persons and teachers; domestic servants; farm labourers.

Special rates (80¢ in Zone 1 and 75¢ in Zone 2) apply in the following cases: A student who does not work more than 28 hours a week; a seasonal worker processing perishable fruits and vegetables

who does not work more than 16 weeks in a year.*

Special rates (60¢ in Zone 1 and 50¢ in Zone 2) apply in the following cases: Delivery boys, messengers, newsvendors, pinsetters, caddies who are under 18 years of age.*

*In both special rates categories, the Zone 1 rates will apply in Zone 2 on December 27, 1965.

EMPLOYERS NOTE

Where employees are being paid on a piece-work basis, if at least four-fifths of them are earning at

least the minimum wage, you will be considered as complying with the Orders.

Learner Rates are as follows: Where employees are on a piece-work basis, learners may be paid 20¢ less than the prescribed minimum rate for the first three months of employment, and 10¢ less for the second three months. In all other cases, learners may be paid 10¢ less than the prescribed minimum for first four months of employment. The Hotel and Restaurant Order establishes a special learner rate 10¢ lower than the prescribed minimum rate for the first month of employment.

Your Ontario Department of Labour stresses the fact that these are just the highlights of the new Minimum Wage Orders. To find out exactly what the Orders mean to you, please write: THE LABOUR STANDARDS BRANCH, THE ONTARIO DEPARTMENT OF LABOUR, 74 VICTORIA STREET, TORONTO 1, ONTARIO, or telephone 365-5251

IN MEMORIAM

MILLER — In memory of our dear Father, Milton Miller who passed away five years ago to-day, May 12th, 1959.

So many things have happened Since you were called away; So many things to share with you, Had you been left to stay; Please, God, forgive a silent tear A fervent wish our Dad was here; But he was ours, and we loved him so. Always smiling, happy and content Loved was our Father wherever he went; To a beautiful life, a sudden end He died too soon, everyone's friend.

—Dearly loved and always remembered by son Ray, Ferne, Laurie and Scott.

HILL — In loving memory of a dear Father, Arthur Hill, who passed away May 9, 1962

We think of our Dad as a down-to-earth guy, Just plain like the sea, the wind and the sky. We think and we know he has gone from our side, But we think of our Dad with the utmost of pride.

—Ever remembered by daughter Margaret and son-in-law Fred.

HILL — In loving memory of a dear husband, Arthur Hill, who passed away May 9, 1962.

He is gone, but not forgotten, And, as dawns another year, In our lonely hours of thinking Thoughts of him are always near.

Days of sadness still come o'er us

Friends may think the wound is healed, But they little know the sorrow That lies within the heart concealed.

—Ever remembered by loving wife Myrtle.

CHURCH NEWS

SPECIAL SPEAKERS AT FULL GOSPEL LIGHTHOUSE

The past two weeks have seen two different speakers visit the local Apostolic Church. On Tuesday, April 28th, Rev. R. Tauber from Banff, Alberta, spoke to a good number of local people in the Church. Rev. Tauber is the Dominion Director of the Apostolic Youth Movement. The local Full Gospel Lighthouse is affiliated with the national Apostolic Church of Pentecost and Pastor Noel McNeill is the Ontario Director of A.Y.M.

Rev. Tauber spoke very ably on the subject of "Meeting God's Conditions for Revival" taking as his scripture the story of Elijah on Mount Carmel. He showed the importance of a proper balance of the Word of God, the Spirit of God, and human dedication.

On Sunday, May 3rd, Rev. George Shaw from Beecher, Ont., spoke at the evening service on the "Threefold Work of the Holy Spirit". Using Biblical Terminology he showed how the Holy Spirit is "with" every person drawing them towards God. He enters "into" the person who accepts Christ and is converted and remains "in" him. He emphasized that there is also an experience for the converted person where the Holy Spirit comes "upon" the individual for anointing. Up until recently the experience was the exclusive property of the Pentecostal Churches but is now being accepted by many Christians of other denominations.

FROM THE PASTOR'S DESK

Stones and Prayer

In Acts 7: 59 we read the climax of a gripping illustration of Christian Faith. Stephen is becoming the first Christian martyr "and they stoned Stephen, calling upon God". The mob flung stones, but Stephen prayed. The stones prevailed and Stephen was soon buried beneath them. He "fell asleep" in the Lord.

Are stones stronger than prayer? Sometimes it might seem so momentarily. But even that would be a mistaken conclusion. Stephen's body may be crushed, his spirit remains unconquerable. His very last words are a plea that God might pardon his murderers.

Stones cannot wreck the cause of Jesus Christ, which Stephen proclaimed and for which he died. In spite of stones and worse, that cause has come victoriously down through the ages. Brute force settles nothing. It only breeds resentment and hatred. It calls for more force. But against prayer there is no effective force. It leaps over every barrier. It penetrates the strongest shelter. It reaches the very throne of God.

Reliance upon prayer is the Biblical method. Under the shadow of the atomic bomb, even the world is beginning to question the use of force. Do we Christians demonstrate that prayer is more effective than sticks and stones? Do we fold our hands or raise them in anger? Do we intercede or shout curses and insults?

MIN CAR MA MEN'S CLUB

On Thursday evening last at 6:30 p.m. some twenty men members of the Min Car Ma Men's Club of the United Church met at the Maple Lake United Church.

After food and fellowship, the devotional period was taken over by Max Prentice. Max did a fine job and many pointed paragraphs were driven home in a serious nature.

Definite stress was put on our responsibility to show and practice the example of the Life of Christ in this our day.

A Past President's pin was given to Mark Vasey, immediate Past President. President Ralph Hussey doing the honours.

An amount of \$205.00 from the treasury was voted for expenditure on Missionary activities, home and abroad.

Rev. D. W. Staples, B.A., B.D. closed the meeting with prayer.

Next meeting in Minden United Church on May 28th.

TORY HILL U.C.W.

The Tory Hill held their regular monthly meeting at the home of Mrs. Lettie Mumford on Thursday evening with the usual attendance.

The president, Mrs. Wm. McCrea, opened the meeting. Hymn "For the Beauty of the Earth" was sung. Bible reading taken from the book of Revelations followed by prayer. The secretary and treasurer gave their reports.

The meeting then opened for a short business discussion, making final plans for Mother's Day supper to be held on May 9th in the basement of our Church. Supper starts from 5 o'clock till all are served.

Then Mr. McAllister gave an inspiring talk on God the Creator and then closed with prayer, after which the hostess served a dainty lunch and a social time was had by all.

UNIT ONE, U.C.W.

The May meeting of Unit One, U.C.W. was held at the home of Mrs. A. Kaye with 14 members and three visitors present.

The meeting was opened by the President, Mrs. H. Black, with the Call to Worship followed by prayer.

Mr. Petrie gave a talk on the 2nd Chapter of the Word and the Way concerning "creation". This portion of the meeting concluded with prayer by Mr. Petrie.

Final plans were made for the Art Exhibit and Tea which will be held on May 6th. All members volunteered to assist in this project.

Reports were received from the various committee convenors and the Treasurer's report was read by Mrs. Black in the absence of Miss E. Day.

The June meeting will be held at the home of Mrs. E. Casey and the 3rd Chapter of the Word and the Way will be studied at this time.

WEDDINGS

McCAUSLAND — STOUGHTON

The United Church, Gooderham, was the scene of a pretty wedding on Saturday, March 21, 1964 at 2 p.m. when Joan Evelyn, daughter of Mr. and Mrs. Clifford Stoughton of Gooderham was united in marriage to Robert McCausland, son of Mr. R. McCausland of Lindsay.

The double ring ceremony was performed by Rev. Petrie of Haliburton and Mr. McAllister, pastor of United Church assisting.

Mrs. Robert Fotheringham supplied the music for the happy occasion.

The bride was given in marriage by her father and looked charming and radiant in an ankle-length gown of misty white sheer nylon over rayon taffeta. Trimming the gown was wide applied lace down the front with a large bow of same at the back. A crown trimmed with sequins held a shoulder-length net-veil in place. She carried a bouquet of red and white roses.

The maid of honour, Mrs.

Oswald Hunter (Sharon), sister of the bride, was also lovely in yellow nylon over taffeta with matching headdress and carrying a bouquet of yellow and white roses.

Assisting the groom was Mr. Ernest Kennedy of Lindsay.

The ushers were Mr. Muri Cook of Lindsay and Mr. Wayne Stoughton, brother of the bride.

A reception and dinner was held in the basement of the United Church with several out of town guests from Kingston, Lindsay and surrounding districts.

The bride's mother received in a navy blue linen suit with white accessories and corsage of white mums.

They left by car, south of Haliburton; the bride travelling in a beige brocade suit with corsage of yellow mums. They will reside at Lindsay. Best wishes are extended.

(Intended for Last Week)

The last meeting of the Friendship Circle for the present was held at the home of Mrs. J. E. Pickens and a social time enjoyed. A delicious lunch was served. It was decided that during the summer months the ladies will often meet at the lake while swimming and in September will hold their regular meetings again.

Sympathy is extended to the Barr Family in the loss of their aunt, Mrs. Sarah Cope, and to the Allen family. Word was received here of the sudden passing of Mrs. Duncan Allan at Toronto.

Mr. and Mrs. G. W. Barr attended Grand Lodge of Ontario East at Lindsay. The L.O.B.A. ladies met in the Presbyterian Church Hall. The R.B.P. and Orange Lodges met in the Odd Fellows Hall. Mr. G. W. Barr was appointed Chaplain of R.B.P. Lodge of Ontario East.

Recent visitors at the home of Mr. and Mrs. Willard Billings were their son Leslie of Perth; Mr. and Mrs. Ted Russell, Port Perry; Mr. and Mrs. Geo. Hartin and sons Jimmie and Bobby; and Mr. and Mrs. James Byrne, Omamee.

With Mrs. Orval Hartin were Mr. and Mrs. Percy Casey of Hastings and Mr. and Mrs. Ross Alsop of Blackwater. Mrs. Hartin recently attended her grandson's wedding at Kinsale Church (The Alsop—Gilbert Wedding). Mr. and Mrs. Hubert Alsop were also present.

Mr. and Mrs. Aldridge Hunter and Mr. Joan Hunter motored to Niagara to visit Mr. and Mrs. Spillenaar. They also called on Mrs. Dorothy Fisher of Vineland and also visited the new airport in Toronto.

Mrs. Mabel Billings, once resident of Gooderham is in Peterborough Hospital. She had the misfortune to fracture her hip. Her many friends wish her a speedy recovery.

Mr. and Mrs. Allan McGarrity and family visited Mrs. Nora Carey and Glenda. The McGarrity's are moving to Apsley.

Mrs. Garnet Hadley attended the meeting at Minden where Miss Werner of Trinidad gave an inspiring lecture with slides. She was assisted by Mrs. Brintnell.

A number attended the Graduation Services held at Peterborough on Wednesday. Miss Sharon Hunter of Gooderham was among the First Year Students to graduate.

A Baptismal Service was held at Bobcaygeon on Tuesday evening. A number from here availed themselves of the opportunity to be baptized. Rev. Thompson was an assistant pastor.

On Thursday evening a large number of friends gathered at the Pentecostal Church for a "farewell" to Rev. and Mrs. Thompson and son David.

The following programme took place: Doxology with Mrs. Fotheringham pianist; Prayer by Mrs. Isabel Wait; Presentation of money and address by Mrs. Garnet Hadley; Replies - Mr. and Mrs. Thompson; Duet - "Lifting the Burdens" by Mr. and Mrs. Thompson; Hymn - "Such Love"; Brief talk by Mrs. Hadley; Hymn - "When we all get to Heaven".

After singing the blessing the ladies served refreshments, allowing those present to visit with the Thompsons, who are leaving for Muncie, Indiana.

On Sunday, April 26, Rev. Thompson preached his farewell sermons. In the morning from Philippians 2: 1-16 and in the evening Acts 16: verses 30 and 31. There was special music.

Mr. Ron Campbell of Peterborough will be in charge of the services from now on.

Coming Events

The Haliburton County Tuberculosis and Health Association invites you to attend their Annual Meeting to be held in the Haliburton United Church Hall on Monday, May 11, 1964 at 8 p.m. Mr. E. J. O'Brien, Executive Director of the Ontario Tuberculosis Association will show coloured slides on his trip to the Far East, and speak on the subject of "World Wide Tuberculosis". Refreshments will be served.
M. P. WADDELL, Pres.

200 Hear Dr. Koegler

(Continued from Page One)

to the speaker a baby may be born normal and remain that way until they start to drink milk which cannot be utilized by the child. This effects the child's brain. He went on to say that if it had not been for a special diet some children would have otherwise been hopelessly retarded. He said that if a baby is born too premature then there is more chance of that child being retarded. Latest statistics also prove that women who smoke a lot have more chance of having premature babies.

Dr. Koegler nearing the end of his talk also stated that a head injury can cause retardation. He told of how a boy had been normal until hit on the head with a hockey stick and it caused retardation.

In closing Dr. Koegler reminded everyone present that a retarded child needs love and that they are not meant to be put in institutions but treated in our own community.

At the conclusion of his talk this prominent speaker was given a five minute standing ovation. Dr. Griffiths from Minden thanked the speaker and presented him with a local Chamber of Commerce taran cap as a token of appreciation of his trip to Haliburton.

Seated at the head table were Dr. Griffiths, Glen Hodgson MPP and Mrs. Hodgson, Dr. Koegler, Jack Hill, M.C., Rev. Brubacher, past president, Gertrude Miller, local health nurse and Lawrence Pritchard, former Warden of Haliburton County and present reeve of the Municipality of Anson, Hindon and Minden.

Don Finn, B.A., LL.B. had the honour of presenting a cheque of \$250.00 to the local Retarded Children's Association. It was a bequest from the estate of Mr. Vangueson.

Following this Gerald Dawson, treasurer of the local Association, read the treasurer's report.

Mrs. Gertrude Miller, Lawrence Pritchard, Rev. A. Brubacher and Glen Hodgson, M.P.P. were called on for short addresses. Mr. Hodgson presented the local Association with the latest copy of Hansard, which includes new legislation places Ontario as the world leader in help for retarded children.

In his remarks, Rev. Brubacher told of how it was just 3 years ago that Mrs. Miller, P.H.N. come to their house in Minden. She was welcomed into their home and the door was opened for the local Retarded Children's Association.

Mrs. Rita Allen Bidgood sang two vocal selections, "I Believe" and "Mr. Wonderful". She was accompanied by Mrs. Fred Stroud on the piano. These musical selections were enjoyed by all.

Mrs. Gertrude Miller was presented with the flowers from the head table in appreciation for the hours of work rendered in the cause to help those who are mentally retarded.
